

# MOTION TECHNOLOGY LAUNCHES!

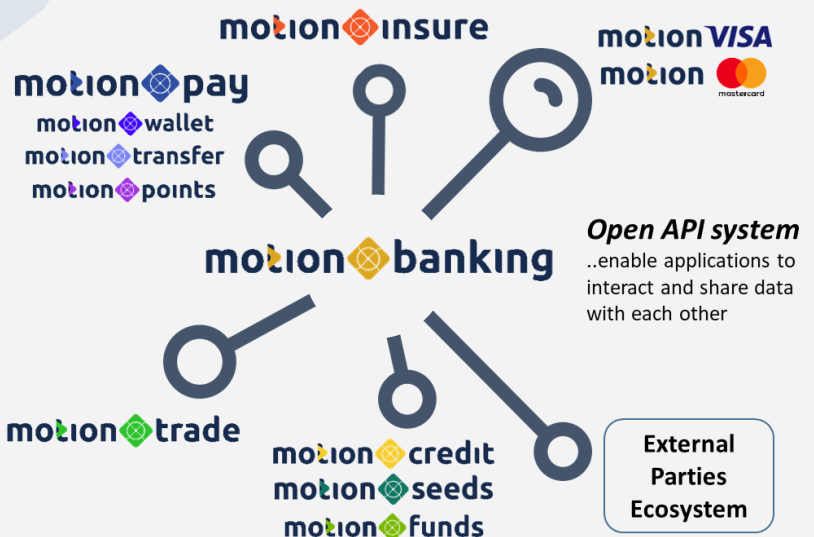

Jakarta, 2 November 2021

As a pivotal step in digitizing its financial services, **PT MNC Kapital Indonesia Tbk (BCAP)** unites all the Company's financial technology (fintech) talents under the auspices of **Motion Technology (MotionTech)** to focus on developing various applications under the brand "Motion". Motion Technology will supervise all Motion app development initiatives to make BCAP a leading, most complete, and integrated digital financial services provider, ranging from digital banking, financing, stock trading, insurance, asset management, e-money and beyond.

1. **MotionBanking**, as the locomotive of the entire Motion brand, is a digital banking application. Integrated into MotionBanking, there are also **MotionVisa** and **MotionMasterCard** virtual debit and credit cards
2. **MotionPay**, e-money, e-wallet, and digital transfer platform
3. **MotionTrade**, online stock and mutual fund trading application with APERD license
4. **MotionInsure**, a digital insurance application (insurtech)

MotionTech is also developing **MotionCredit**, a one-stop application for all consumer loan needs, including BNPL (buy now pay later) services; **MotionFunds**, an online mutual fund platform; and **MotionSeeds**, a securities crowdfunding application.

To coincide with the 32nd anniversary of MNC Group today, Executive Chairman of MNC Group, Hary Tanoesoedibjo, inaugurated the Motion Technology office located at MNC Financial Center Building 5th Floor, Jalan Kebon Sirih, Central Jakarta.

Motion Technology office is divided into Co-working Area, Security Operations Center (SOC) Room, Data Analytics Center (DAC) Room, Conference Room, and Outdoor Area, presenting a dynamic, efficient, comfortable work environment, equipped with music and coffee corner to relax.

*"Today, BCAP's commitment to placing digital innovation as the axis of the banking and financial services business enters a new phase with the formation of a dedicated fintech talent pool of experts to build the Motion Technology, MNC Financial Services' end-to-end fintech ecosystem. Every fintech application in the MotionTech ecosystem has a strategic role in supporting each other. In addition, with the Open API system, BCAP also continues to collaborate with third parties to complement further and strengthen the MotionTech ecosystem seamlessly," said Hary Tanoesoedibjo.*

*"MotionTech's developments bring together creativity and advanced technological capabilities to provide financial technology solutions to meet all financial needs that can be easily accessed by everyone, in line with the national financial inclusion program. With a mature and focused roadmap, Motion Technology is ready to make the future of financial freedom a reality," continued Hary Tanoesoedibjo.*
