

Jakarta, 21 July 2022 – The subsidiaries of PT MNC Kapital Indonesia Tbk (BCAP or the Company), PT Bank MNC Internasional Tbk (BABP or MNC Bank) and PT MNC Teknologi Nusantara (MTN) have received an approval from Bank Indonesia to allow the Account Linkage service between MotionPay and MotionBanking applications, developed by MTN and BABP, respectively.

The Account Linkage service is a collaboration between MTN and BABP that integrates e-Money features of MotionPay, allowing customers to view their balance and make transfers from the MotionBanking application. This represents a significant step to further develop the Company’s ecosystem of digital financial services, “Motion Digital”. Through this collaboration, the Company hopes to strengthen the synergies that already exist between the subsidiaries and enable a seamless experience for customers in using the digital applications developed.

“ We really appreciate Bank Indonesia’s approval for the development of Account Linkage service, where the Company believes this feature will be an important feature where the integration of MotionPay into MotionBanking will be perceived as a quality addition to the line-up of services provided by our subsidiary.

-Yudi Hamka, President Director of BCAP

MotionBanking is always evolving to better serve users with simplified top-of-the-line features for users to utilize for their daily needs. Next, MNC Bank is in the process of developing a virtual credit card feature to be integrated into **MotionBanking**, simplifying the experience for customers in accessing credit card details and making online payments.

motion banking Development Roadmap

The Company is proactively developing new services to provide customers with features they need today, while researching and anticipating new features that Indonesians will need tomorrow.
